PERMIT FOR THE SALE OF FIREWORKS

The following documentation must be provided and the applicant must sign below before the issuance of a permit to sell fireworks within the Township:

- _____ 1. Completed applications for building, soliciting and sign permits.
- _____ 2. A list of all items to be sold, and confirmation that those items contain less than the approved grains of explosive composition.
- _____ 3. Written permission from the Property Owner authorizing the applicant to set up a temporary facility and sell on the owner's property.

I the undersigned confirm that I have read the attached Pennsylvania Statue Title 35., Health and Safety Chapter 13A., Fireworks and Explosives, and agree to comply with the Statue as outlined.
